## SPORTSMANSHIP

- Kart racing is a very emotional sport. As such, good sportsmanship is a key element of any competitive racing program. This must include respect for all participants – drivers, owners, pit crews, and Officials.
- For our part, we will make every effort to be consistent with our rules, regardless of whom or what is involved. We will treat all participants with respect and expect similar treatment in return.
- A driver's pit area is his castle – therefore please stay out of other driver's pit areas, especially after an incident where you have been involved with that driver.
- Drivers – remember that you are responsible for the actions of your crews. Any offending parties will be fined appropriately and disciplinary actions will be initiated, as deemed necessary.
- Sportsmanship does not just pertain to activities at the track. Be aware that we do our best to present Karting NSW and its drivers, in the best light possible. We expect our drivers to do the same.
- Remember what you say has weight, what you type has meaning, what you do has consequences. Think before you act. Unsportsmanlike or aggressive behaviour from members of any team, may see that respective driver be requested by Karting NSW Officials to withdraw from the race meeting immediately. Drivers excluded will also forfeit any points, prizes and trophies.

## DRIVERS BRIEFING

- All drivers **MUST** attend the Drivers Briefing.
- Any drivers who do not attend the Drivers Briefing, will be placed at the rear of each heat race in their Class.
