WELCOME

BELINDA COLOMBRITA
Chair - Karting New South Wales

Welcome to the 2023 NSW State Championships.

I would like to take this opportunity to thank Combined Districts Kart Club for hosting this year's event, and congratulate Club President, Russell Becker and his team for their dedication to ensuring the facilities and the circuit are ready for what will be an amazing event.

RUSSELL BECKER
President - Combined Districts Kart Club

Welcome to Lithgow City Raceway. Our first race meeting was held in February 1963 by Lithgow Kart Club. Combined Districts Kart Club was established in 1981 with Colin Becker as the first President. In 1987 the facility was purchased by CDKC and the circuit was extended to its current layout in 1992.

More recent improvements include a full track resurface in 2018, Race America safety light system in 2019, a new Race Control tower was constructed in 2022 followed by new in-grid & tech shed in 2023 together with a new Race Control LED Board.

These events cannot take place without countless volunteer hours and it is wonderful to see so many gracious individuals giving up their time to ensure that karters can take to the track. I encourage you to take some time to thank the officials throughout the weekend, without them we would not be racing.

On behalf of Karting NSW I am honoured to introduce the Max Laybutt Officials Spirit Award. Max Laybutt recently passed away and the award has been created to show our respects to his legacy and contribution to the sport over many decades. The award will be presented annually to the official that demonstrates fairness, teamwork, sportsmanship & passion for our great sport. I have no doubt that Max would support this year's worthy recipient.

To the drivers and their support crews, we hope that you enjoy the weekend and we look forward to some great racing and awarding the winner of each class their blue plate. These winners will go down in the record books as a 2023 Karting NSW Champion. I am really looking forward to some great racing.

Stay safe and most of all enjoy this wonderful event.

Current clearing work at the bottom of the circuit will see planning develop to extend the circuit to international standard. Over the years many passionate Karters have helped the club grow and improve, but in most recent times we must give a special mention to Mitch Lozina for the enormous commitment he has made to the club.

Many of you will know Max Laybutt passed away recently. Max was a passionate Karter, official, administrator and a great bloke. In recent years Max attended all our race meetings as a key official, as he did for many other clubs. We will miss you Maxy!

We have seen many current and past champions make their way via Lithgow, Oscar Piastrri, Mark Winterbottom, James Courtney, Joey Mawson, Ryan Briscoe to name a few.

The 2023 NSW State Championship is the premier event on the KNSW race calendar and there has been an enormous amount of effort made with pre-event organisation by both CDKC and KNSW, we thank all involved and now hand over the meeting to the officials. We sincerely thank them for their efforts over the race weekend.

Good luck to all competitors and we hope you have a great weekend racing at Lithgow City Raceway.
